

Tactile / Fine Motor - Level 2

2.4.1 Postman Game

Provide different posting activities e.g. shape box, coins into a money box, hoop games etc. Encourage the child to complete these activities.

Purpose

To promote fine motor and bilateral hand use

To promote perceptual skills, spatial awareness, colour matching and shape matching

To promote eye-hand co-ordination

Observations

Can the child post objects?

Can they manipulate shapes, coins or hoops?

Do they match colours or shapes?

Equipment

Various posting activities
