

Body Awareness - Level 3

3.3.4 Mr and Mrs Moose

Draw around both hands twice and feet once. Use hand over hand to help child draw if necessary. Cut out hands and feet drawing, then child sticks them together and decorate 2 moose pictures!

Purpose

To promote eye-hand and eye-foot co-ordination

To provide proprioceptive/tactile information

To promote planning skills

Observations

How much assistance does the child need to complete activity?

Does the child tolerate the hands/feet being drawn around?

Equipment

Paper

Coloured pens/paints

Scissors
