

Tactile / Fine Motor - Level 3

3.4.5 Lucky Dip

Hide small objects e.g. key, buttons, animals in different mediums e.g. cooked/uncooked pasta, shaving foam, coloured water, sand, glitter, flour etc. Encourage child to find and guess what they have found.

Purpose

To improve tactile skills

To improve stereognosis

To improve eye-hand co-ordination

Observations

Does the child put hands in different textures?

Can they find objects?

Can they recognise any objects without looking at them?

Equipment

Different mediums

Objects to hide
