

Tactile / Fine Motor - Level 3

3.4.4 Sticky Pictures

Provide a variety of different textured material, e.g. sand paper, material, rice, pasta, cotton wool etc. Encourage children to stick within shapes.

Purpose

- To develop fine motor skills
- To develop eye-hand co-ordination
- To improve perceptual skills
- Increase tactile awareness

Observations

- Can they stick within shape?
- Do they avoid/dislike any texture?

Equipment

- Different textured materials
- Paper with shapes on
