

## **Tactile / Fine Motor - Level 3**

### **3.4.2 Threading**

Provide a variety of items for the children to practice threading, i.e beads, pasta, pasta buttons etc.

#### **Purpose**

- To develop fine motor skills
- To develop eye hand co-ordination
- To develop bilateral skills
- To promote spatial awareness
- To develop planning skills

#### **Observations**

- Which hand do they use to thread with/hold the lace?
- Can they thread independently?

#### **Equipment**

- Laces
- Beads, buttons and pasta shapes
