Wobble Balance Cushions

Name:

NHS Number:

Small motions while sitting on a wobble cushion can help maintain focus and alertness. Use on a chair seat or on the floor. Most children do not require much air in these cushions.

The wobble balance cushions can be purchased from the following company:

www.physiotherapysupplies.com

Tel: 01775 640972

(Other companies supply similar or the same product therefore it is recommended that you research the product yourself.)

Contact Childrens Therapy if further advice or information is required
