

Body Awareness - Level 3

3.3.2 Character Cut Outs

Cut out pictures of children's characters – bodies, heads, arms, legs and facial features. The child makes a person or face using the parts, sticking them onto paper.

Purpose

To promote eye-hand co-ordination

To promote planning skills

To increase body awareness

Observations

How much assistance is required to make a person or face?

Equipment

Body Parts, facial features cut out from pictures / magazines

Paper

Glue sticks

Scissors
