## Scented Toys

**Name:**

**NHS Number:**

Toys / activities for children who are olfactory seekers; Children, who seek olfactory (smell-based) input, are the ones who find opportunities to smell things whenever they can. They really appreciate and benefit from scented products.

### **Scented Markers**

**Scented play dough –**  
Or learn how to make your own by using a basic recipe and then adding either several drops of scented extract (such as peppermint, vanilla, lemon, etc.)

### **Scratch & sniff stickers**

Scented toys are available from the following stores and websites:

- [www.amazon.co.uk](http://www.amazon.co.uk)
- [www.specialneeds.toys.com](http://www.specialneeds.toys.com)
- [www.thesensoryseeker.com](http://www.thesensoryseeker.com)
- [www.sensorytoywarehouse.com](http://www.sensorytoywarehouse.com)

Other companies may supply the same or similar products therefore it is recommended that you research products yourself.

**Contact Childrens Therapy if further advice or information is required**
