

Body Awareness - Level 2

2.3.5 Character Drawing

The child lies on a large piece of paper and is drawn around. The child adds facial features and can make it into their favorite character or a picture of themselves.

Purpose

To promote body awareness

To promote eye-hand co-ordination

To promote planning skills

Observations

Does the child tolerate being drawn around?

Do they place facial features correctly on the picture?

Equipment

Large paper

Pens, paints, craft materials
